THE COLLEGE of
ARCHITECTURE, PLANNING & DESIGN // K-STATE

2015 All College Photo, Seaton Hall Expansion Location

New ATA Shuttle Departures

All,

Thank you for your patience and willingness to work with us while we find our groove for the semester. Attached are updated departure schedules, one for APD West and one for Bosco Plaza. Click below for schedules.

1. [APD West to Campus](#)
2. [Bosco Plaza to APD West](#)

How do you use them? Open the document from the location you are departing. Find the day and the time. That is when the shuttle should be departing. It is important to note that all times are approximations and subject to traffic flow, weather, etc.

Is the shuttle time off? **Please contact our friends at aTa Bus [785.537.6345 or 1.877.551.6345].** They want to be sure that our routes are running as smoothly as possible.

Thank you,

Lisa Shubert
Assistant to the Dean

Iman Outstanding Faculty Awards - nominations open

7 University Holiday

14 Frank Chang Drawing/Design Workshops 4pm in Seaton 063

14 to October 23 International Studies Exhibit

25 APDesign Golf Tournament

Good Morning,

On behalf of the K-State Alumni Association, I'm pleased to share that nominations for the 2015 - 2016 Iman Outstanding Faculty Awards are now being accepted.

Through the generosity of Dr. Ron and Mrs. Rae Iman, the K-State Alumni Association annually honors K-State faculty for outstanding accomplishments in research and teaching. Nominations are accepted from current faculty and staff, so we encourage you to promote this award to your staff.

The deadline for nomination is September 21 at 5:00 p.m. The awards presentation will be held at the K-State Alumni Center on November 4 and the nominee must be able to attend. For information on the criteria for the awards and a nomination packet, please visit www.k-state.com/imanawards.

The Dr. Ron and Rae Iman Outstanding Faculty Award for Research will be awarded to a full-time K-State faculty member who has distinguished his or herself in their chosen profession and who has contributed significantly through research to improve the betterment of the educational experience or whose research has had a significant impact on their area of study.

The Dr. Ron and Rae Iman Outstanding Faculty Award for Teaching will be awarded to a full-time K-State faculty member and is designed to honor excellence in high quality instruction, strong relationships with students inside and outside of the classroom and reputation for scholarship and distinguished service to the University.

Dr. and Mrs. Iman live in Albuquerque, New Mexico. They are life members of the K-State Alumni Association and serve as Kansas State University Foundation trustees. Ron Iman earned three degrees from K-State: a bachelor's degree in math education in 1962, a master's degree in 1970 and a doctorate in statistics in 1973. He is a past member of the Association's board of directors and a past chair of the College of Arts & Sciences Advisory Council. He received the university's Arts and Sciences Distinguished Service Award in 1996 and, in 1994, served as national president of the American Statistical Association. He was named a highly cited researcher by the Institute for Scientific Information in 2004.

Thank you for your ongoing support of Alumni Association programs and please do not hesitate to contact me if you have questions.

30 President and Provost APDesign meeting, 2:15 - 3:30 pm, APDesign West, Room 116

OCTOBER

1-3 Anita H. Lehmann, Drawing Workshop

19 Mock Interviews, K-State Alumni Center

"Circolo Italiano" (Italian Club),

Professor Anthony Nussmeier, the new Italianist in the Modern Languages Department, invites APDesign students and faculty to integrate Italian language into their studies! **You can participate in "Circolo Italiano" (Italian Club), with meetings held every other Thursday at 6pm(beginning September 3 at Arrow Coffee).** Join students of Italian of all levels, native speakers, and K-State faculty members for relaxed and interesting conversation in and about Italian! Circolo Italiano will also show Italian films and sponsor events featuring other aspects of Italian culture. These activities are in addition to the Italian language class that many APDesign students take who are participating in the APDesign Italian Studies Program.
