The Beaux Arts Ball is the annual formal dance hosted by AIAS for the College of APDesign for all disciplines. This years theme is the Manhattan Expo: The Spirit of Progress, which is simply formal wear inspired by Art Deco and the idealistic bright and technology filled future. The era lasted from the 1920's until the 1940's.

While AIAS does not actively promote the dance outside of APDesign, you are allowed and encouraged to bring your best friends or significant other, even if they aren't in our college! We want you to have fun! Card games, a pool tournament, and giant Jenga will be available.

Photographer needed!

AIAS is looking for a photographer to take pictures of attendees of the Beaux Arts Ball. Compensation can be discussed. Please email Alex Booth @ acbooth@ksu.edu for further information.
