ANNOUNCEMENTS

Tau Sigma Delta nominations are due today. More information about this medal that honors students who are excellent contributors in their discipline is [available here](#).

Proposal presentations for the Mary K. Jarvis Chair will take place on Tuesday, April 25, 6:00-7:30 pm at Wahoo Fire and Ice Grill. All LARCP faculty are invited and encouraged to attend. The two presenters are Jessica Canfield and Tim Keane. Those who attend are asked to provide input to the selection process by completing [this form](#) and returning it to Stephanie by 5:00 pm on Friday, April 28, via e-mail or delivery to the office. Paper copies of the form will be available at the presentations.

2017-2018 APDesign studio space assignments are confirmed. LARCP will have four clusters of vertical studio space with 25-26 students per cluster. The plan is [available here](#) and the principles guiding the assignments are [available here](#). The plan provides some excellent proximities to other disciplines as well as good distribution across floor levels and new and old space. Faculty assigned to teach studios will each be responsible for a studio cluster, assuring that there is a point person to coordinate with surrounding studios in other disciplines and facilitate desk layout. We'll discuss the plans and plans for move in during the May 17, 9:00 am, LARCP faculty meeting.

Schedule your TEVAL times with Jody or let her know that you are completing them online. All courses must be evaluated using TEVALs or IDEA.

January Intersession proposals are due June 30, 2017. Please send your proposal to Stephanie for approval and discussion about compensation prior to submitting it to Global Campus. Submit information using the [online form](#). Information about teaching an intersession class is [available here](#).
