The K-State Diversity Summit, in partnership with the Institute for Student Learning Assessment, provides an opportunity for students, faculty and staff to learn about research and teaching practices that relate to diversity and inclusion learning outcomes across disciplines. This year's summit will include a research forum from 4-5 pm Nov. 3 to showcase diversity-focused research, scholarly and creative activity, and discovery, or RSCAD. The forum will be at the conclusion of the free daylong summit and will help inform the community of past and ongoing research efforts and how they foster progress in the area of diversity. All are invited to both the summit and the forum.
