## FOUNDER OR ROADSIDE RIDESHARING PROJECT TO PRESENT AT SPRING COLLOQUIUM

### Ridesharing Revolution: Hitchhiking Goes High-Tech

presented by  
Jenny O'Brien, *CarnaHop* Founder

FRIDAY, MAY 1  
4:30 pm  
Seaton Hall 106c

The Department of Landscape Architecture and Regional & Community Planning is hosting Jenny O'Brien on May 1 for its last colloquium of the semester. O'Brien will present Ridesharing Revolution: Hitchhiking Goes High-Tech at 4:30 p.m. in Seaton Hall 106c. The colloquium is free and open to the public.

As a resident of rural Kansas, O'Brien was dismayed at the lack of transportation options in small communities in the state. She decided to do something

about it, and created the Hopista Roadside Ridesharing project. The project combines the flexibility of hitchhiking with smartphone technology and the principles of the sharing economy.

Three years after launch and nearly 300 rides being provided, O'Brien has been featured in YES! Magazine, Fast Company, Smithsonian Online, Planetizen, the National Center for Mobility Management podcast, and gave a TED talk at TEDxKC 2014.

Find out more about Hopista at [www.hopista.org](http://www.hopista.org). Questions regarding the colloquium may be sent to Huston Gibson, assistant professor in regional and community planning, at [hgibson@ksu.edu](mailto:hgibson@ksu.edu).

## **THIRD FLOOR TIDBITS FROM WEIGEL LIBRARY**

### **PART I**

**PIZZA IN THE PIERCE - ENJOY A SLICE ON US!**

Take time for a study/studio break! Stop by Pierce Commons Thursday evening, April 30th, for a slice of pizza and other snacks!

**Thursday, April 30th** will be the last Pizza in the Pierce! Don't worry - it isn't that the Libraries and APDesign won't ever furnish pizza again, but this is the last time to gather in Pierce Commons for this particular event!

The pizza, provided by K-State Libraries, will arrive about 9:30 pm. APDesign Student Organizations (so far SCASLA, IASC, and EDSA) are providing other treats for you to enjoy.

Weigel Library supports you throughout the semester with resources, services, technology and now pizza! This is a great way to take a break during a really busy time, have a bit of fun, and enjoy good company once more in the Pierce!

### **PART II**

Do you enjoy discovering information? Do you like helping people? Do you have a special place in your heart for libraries? Would you be interested in working in Weigel Library?

A number of student assistants are needed for the Fall 2015 semester. The typical number of employment hours ranges from 7 to 10 per week for Weigel assistants.

An application form is available in Weigel, Seaton 323. To be considered for employment a completed application must include a copy of your official KSIS fall class schedule using the "Weekly Calendar View".

**Applications are due Tuesday, May 12, in Weigel.**

Hiring decisions will be made during the summer. Both successful and unsuccessful candidates will be notified of employment decisions.

**DIVERSITY LECTURE - LIN LI  
APRIL 29 AT 4:30PM  
PIERCE COMMONS**

The members of APDesign Diversity Committee invite you to attend a lecture by our Visiting Scholar Prof. Lin Li, on Wednesday, April 29th, at 4:30 p.m. Pierce Commons, Seaton Hall

Prof. Li was born in XI'AN city in China and teaches in the College of Art and Design at Xi'an University of Technology. She holds a Master's Degree in Industrial Design from Jiangnan University and Bachelor's Degree from Harbin University. She is interested in understanding Product Semantics and product color design.

**ALL COLLEGE ICE CREAM SOCIAL**

The All College Ice Cream Social will be held Friday, May 1 from 2pm-4pm in the Pierce Commons! Come and enjoy some Call Hall ice cream!

**SUMMER EMPLOYMENT**

We are looking to hire a few student employees in **CNS and the APDesign Shop** for this summer!

We are especially interested in hiring equal representation across the college disciplines.

This summer promises to be very dynamic!

**Interest in Computer Network Services:**

1. If you are proficient in computing and other tech, are seeking flexible hours, and need experience for resume building, please consider applying.

Be advised, in addition to technology support and deployment, there is physical labor associated with these positions. You may be asked to move computers, scanners, printers, etc.

Please submit an application and letter of interest via email to: [apdcns@ksu.edu](mailto:apdcns@ksu.edu)

**Interest in APDesign Shop:**

The college shop is looking for part time to full time help for the moving of Seaton Hall and other shop/building related projects. If interested please contact Richard Thompson [rht@ksu.edu](mailto:rht@ksu.edu) for more details.

*Have fabrication needs? If you have plans for using the college shop (specifically the CNC router or CNC Plasma cutter) it is encouraged to speak with Richard Thompson (rht@ksu.edu) ASAP. In the past these machines get booked up towards the end of each semester. Even if you are not ready to build, a short conversation now could save you time and headache in the future.*
