## Volunteer to be an APDesign Ambassador

[K-State Website](#)

[Weigel Library Website](#)

Are you interested in serving the College of Architecture, Planning & Design (APDesign) as an ambassador? Now is your chance to sign up. Please email me at [myapd@ksu.edu](mailto:myapd@ksu.edu). There is no selection process. If you sign-up, you are an APDesign Ambassador. (If you are already an ambassador there is no need to email me, you will remain an ambassador until you graduate or you tell me to take you off the list!)

As an APDesign Ambassador, you will be added to the APDesign Ambassador K-State On-line account. You will receive emails from me asking for your help. I typically request tour guides or volunteers to help with recruitment or college events. Most tours require only a 30 minute commitment. Most events require an hour or two of your time. However, some events are half or full day events. You get to choose what you volunteer to participate in.

\*\*\*\*If you want to help with the ENVD Welcome for our new students this fall, you need to sign up to be an APDesign Ambassador. As an ambassador, you will have the opportunity to volunteer to help out the first year students! I will ask those volunteers later this summer.\*\*\*\*

The only requirement of being an ambassador is that you attend the one and only ambassador meeting, August 23rd. The time for this meeting will be set closer to the date and all ambassadors will receive a message giving that information in early August. You will learn more about giving building tours, etc. at this meeting.

Please consider becoming an APDesign Ambassador, again, please email Susan Lannou at [myapd@k-state.edu](mailto:myapd@k-state.edu) if you would like to volunteer.

## **SAVE THE DATE: LET'S CLEAN - AND GO GREEN ANNUAL EVENT**

It's that time of year to start thinking about spring cleaning! K-State Recycling, Financial Services and Environmental Health and Safety are partnering again this year to make the process easier.

Departments can clear closets and storage areas of unwanted, outdated or broken equipment, apparatus, furniture, fixtures and chemicals at no cost.

Collection of unwanted items will take place June 22-July 9. Details on scheduling and procedures will be

provided in K-State Today in mid-May. If you have any questions, please contact DeeAnna Fugate at 785-532-6525.

## THIRD FLOOR TIDBITS FROM WEIGEL LIBRARY

### **For faculty -**

During Summer 2015 K-State Libraries is migrating to a new circulation system or the computer program to check library materials in and out!

Due to this change, I need to delete all the current course reserve lists in Voyager and create new ones in Alma, the new system. I'm asking APDesign faculty members to seriously review and edit their reserve lists and let me know what adjustments to make for Fall 2015. Please take this opportunity to update/reduce the number of reserve materials behind the Weigel circulation desk. Present reserve lists from Voyager for your classes will be placed in your mailboxes for your review.

### **Please communicate with me by email**

([mlganske@ksu.edu](mailto:mlganske@ksu.edu)), phone (2.5978) or in person (Seaton 323) your instructions regarding your course reserves. In other words I need to know what courses will be taught this fall by whom and what reserves you need to keep for each class and which of the present reserves can go back into the stacks. Ideally the deadline is Monday, June 1.

I know this is another task needing your attention in addition to boxing up and moving offices. I realize for you, as faculty, the library's new circulation program

with new reserves lists is so minor in the whole scheme of relocating the College of APDesign, the faculty and students.

In order for Weigel to serve our patrons as efficiently and effectively as possible in the fall, I need to have faculty instructions regarding reserves. Thanks for your cooperation and understanding. Maxine

**For students -**

Weigel Library is still accepting applications for student assistants for the Fall 2015 semester. Hours of employment typically range from 7 to 10 per week for Weigel assistants.

An application form is available in Weigel, Seaton 323. To be considered for employment a completed application must include a copy of your official KSIS fall class schedule using the "Weekly Calendar View".

**Applications are due Tuesday, May 12, in Weigel.**

## SUMMER EMPLOYMENT

We are looking to hire a few student employees in **CNS and the APDesign Shop** for this summer!

We are especially interested in hiring equal representation across the college disciplines.

This summer promises to be very dynamic!

**Interest in Computer Network Services:**

1. If you are proficient in computing and other tech, are seeking flexible hours, and need experience for resume building, please consider applying.

Be advised, in addition to technology support and deployment, there is physical labor associated with these positions. You may be asked to move computers, scanners, printers, etc.

Please submit an application and letter of interest via email to: [apdcns@ksu.edu](mailto:apdcns@ksu.edu)

**Interest in APDesign Shop:**

The college shop is looking for part time to full time help for the moving of Seaton Hall and other shop/building related projects. If interested please contact Richard Thompson [rht@ksu.edu](mailto:rht@ksu.edu) for more details.

*Have fabrication needs? If you have plans for using the college shop (specifically the CNC router or CNC Plasma cutter) it is encouraged to speak with Richard Thompson ([rht@ksu.edu](mailto:rht@ksu.edu)) ASAP. In the past these machines get booked up towards the end of each semester. Even if you are not ready to build, a short conversation now could save you time and headache*

*in the future.*
