Design Expo Prep - APDPro: Portfolio Basics

6 p.m., Seaton 306

This event is a requirement for 2nd year APDPro students. Learn how to create a portfolio that will get you noticed by future employers. With Design Expo at the beginning of March, it's definitely a good idea to attend! Professionals from each discipline will present what they look for in a portfolio when hiring and answer any of your questions. This event will fulfill a Portfolio Basics or Special Topic requirement.

Thursday, February 11

Design Expo Prep - APDPro: Putting Your International Experience to Work

6 p.m., Seaton 306

5th Year Students ONLY. This is a professional development workshop for returned study abroad students. Joe Milostan of Study Abroad will co-lead this workshop with Dana Nordyke from Career and Employment Services. In the workshop, you'll reflect on your study abroad experience and link any achievements or things during that experience to skill development. The rest of the workshop will help you incorporate these experiences into your resumes and cover letters and learn how to talk about your international experiences in a professional way. This event will fulfill a Special Topic or Transition to Career requirement.

April 18: Fall deadline

APDESIGN SHOP

[Welcome to the APDesign Shop.](#)

For the first time ever all of the APDesign shop technologies (except the CNC plasma cutter) are located in one place in the new APDwest Shop. The joining of the IAPD and college shop creates new opportunities for students and faculty, but not without a few changes to the way we operate in the shop. Please take time to familiarize yourself with the APDesign Shop Policies and Procedures as well as the APDesign Shop Safety rules. The mission of the shop is to provide the safest and best possible learning-by-making environment. These rules, policies, and procedures will help to create a reliable shop facility that enables the exploration and understanding of traditional, digital, and experimental fabrication methodology.
