* A minimum of 30 general elective credits must be taken outside of the College of Architecture, Planning & Design. General electives may be taken in pursuit of a minor. They may be taken any time before or during the Architecture program and may include K-State-approved AP, IB, CLEP and transfer credit. General electives may include K-State-approved extracurricular work as allowed by university regulations; see catalog.k-state.edu/content.php?catoid=13&navoid=1410&returnto=search#cred_for_extr. Students may not count more than 3 total hours of recreation credits toward graduation.

** The M.Arch degree requires 24 hours of professional support electives, 12 for undergraduate credit and 12 for graduate credit. Of the undergraduate credits, at least 3 hours must be planning elective credits; the other 9 are usually fulfilled in the eighth semester as part of the fourth-year study options. At least 6 hours of the graduate level PSE must be architecture seminars. See the Master of Architecture Handbook for further details. Students may not count more than 3 total hours of department approved extracurricular PSE credits (such as Oz, NOMAS, or Plot Club) toward graduation.

One of the undergraduate elective courses must fulfill the Human Diversity in the United States area of the K-State 8 General Education program. The other seven areas are fulfilled by required courses. Information about the K-State 8 is available at k-state.edu/kstate8 and in the university catalog. K-State 8 course lists are available at k-state.edu/kstate8/lists/.

Courses listed in **bold** type represent those hours required within the graduate program. Total graduate credit hours is 31.
