A minimum of 16 general elective credits must be taken. General electives may be taken in pursuit of a minor. They may be taken any time prior to or during the Interior Architecture and Product Design program and may include K-State-approved AP, IB, CLEP and transfer credit. Students may not count more than 3 total hours of recreation credits toward graduation.

**Focus Courses** include IAPD 406 and IAPD 830 Problems in IAPD, as well as other department head approved courses, including those associated with a minor program.

*Electives taken in the eighth semester should support student interest including professional electives and study abroad courses. These may also be associated with a minor program.

The K-State 8 General Education areas are covered by courses required in the Interior Architecture and Product Design curriculum. Information about the K-State 8 is available on the web and in the university catalog.

Courses listed in **bold** type represent those hours required in the graduate program. Total credit hours required for Graduate School program of study is 31.
