

Katie Kingery-Page PLA

Associate Professor

Department of Landscape Architecture/ Regional & Community Planning
College of Architecture, Planning & Design **Kansas State University**
102a Seaton Hall Manhattan, KS 66506
785.341.5650 kkp@ksu.edu

Education

- 2006 **Kansas State University:** Master of Landscape Architecture
Thesis *Art in the Campus Landscape: Case Studies*
Coursework focus: site design, prairie ecology and native plants
- 1997 **The School of the Art Institute of Chicago:** Night classes in art history and theory
- 1996 **Wichita State University:** Bachelor of General Studies,
Emphases in fine art and natural sciences, cum laude
National Merit Scholar, full scholarship
- 1994 **Antioch College:** Ecology study abroad in Amazonas and Paraná, Brazil

Academic Positions

2014-present Associate Professor

2008-2014 Assistant Professor

Kansas State University, Department of Landscape Architecture/
Regional & Community Planning

Courses Taught

Site Planning & Design Studio I

Site Planning & Design Studio II

Specialization Studio: Landscape and Art *

Specialization Studio: Streetscapes *

Technical Module I (several years of lead instruction related to AutoCAD, SketchUp, and Adobe Creative Suite)

Technical Modules 2, 5, & 6 (co-facilitator or technology specialist role)

Seminar III: Landscape and Art *

Seminar III: Streetscapes *

Master's Project Studio & Report

Master's Project Studio, special topic: Landscapes of Learning *

Thesis Advisement

Portfolio Design & Other Elective Problems Courses *

* denotes new, original course design and material

2007-2008 Visiting Professor

Kansas State University, Department of Landscape Architecture/
Regional & Community Planning

Courses Taught

Site Planning & Design Studio I

Site Planning & Design Studio II

Master's Project Studio & Report

Technical Module I

Environmental Design Studies (first year curriculum)

2004-2006 Adjunct Faculty

Kansas State University, Department of Landscape Architecture/
Regional & Community Planning

Courses Taught

Planting Design Studio

Design Graphics & Visual Thinking

Academic Positions (continued)

2005 Adjunct Faculty

Kansas State University, Department of Apparel, Textiles & Interior Design
Environmental Design Studies (first year curriculum)

2000 Graduate Teaching Assistant

Kansas State University, Department of Landscape Architecture/
Regional & Community Planning

Assistant to Professor Dennis Law, Design Graphics & Visual Thinking

Professional Positions and Internships

2007 Planning and Design Consultant

190th Re-Fueling Wing, Air National Guard Topeka, KS

Schematic design for new pedestrian quads to be implemented as the base transitions to green infrastructure and eliminates several surface parking lots

2006-2007 Planting Designer

EPA-funded Stormwater Infiltration Project Johnson County, KS

Planting design, cost estimating, bidding, and installation administration as part of a research project including establishment of 1.5 acre prairie directed by Dr. Stacy Hutchinson and Dr. Tim Keane
Kansas State University, Department of Biological & Agricultural Engineering, Department of Landscape Architecture/ Regional & Community Planning, and K-State Research & Extension

2005-2006 Design Intern

Riley County Parks Manhattan, Kansas

Schematic design and design development for Fairmount Park and Rocky Ford West

2003-2004 Project Designer

Beckett & Raeder, Inc. Landscape Architecture, Planning, & Engineering Ann Arbor, MI

Key clients: Ann Arbor Downtown Development Authority, City of Ann Arbor, Ypsilanti Downtown Development Authority, Michigan State University, Macomb Township Parks

Key projects: West Stadium Boulevard Redevelopment, Ypsilanti Downtown Streetscapes, Durand Downtown Strategic Plan, Belding Downtown Visioning, MSU Pegasus Equine Medicine Critical Care Facility, Macomb Corners Park

2000, May—August Watershed Technician

Kansas Water Office Topeka, KS

EPA-funded project directed by Brock Emmert of KWO

Part of a team that surveyed more than twenty Kansas streams to establish stream morphology base data

1998 Custom Commercial Photography Printer

Kalamazoo Color Lab Kalamazoo, MI

Key client: Landscape Forms

1994, November—December Research Intern

Aquaculture at Patronato San Antonio San Jose dos Pinheis, Brazil

Completed study of phytoplankton indicators of water quality at a fish farm run by a local boys orphanage, under the direction of biologist Dr. Maria Eugenia Lopata, Pontifical Catholic University of Paraná

Grants & Contracts

Kingery-Page, K., Z.Ratajczak, C. Melchior, T. Britt, and R. Janke. **Green Action Fund Grant**, funding from the Kansas State University Student Government Association and Office of Sustainability for "The Meadow: Informal Learning through Experiences of Landscape and Art" (January 2014-June 2014).

Funds will allow further planting of native plant species in The Meadow; design and installation a sign on site; and, purchase an interactive touch table to interpret the Meadow within the Beach Museum of Art.

Grants & Contracts (continued)

Kaff, M. and D. Burnett (project directors), K. Kingery-Page, B. Fees, S. Fisher. **Kansas State University Small Research Grant** "Playing Naturally: a pilot study of nature access and executive functioning in children with Autism Spectrum Disorders," (July 2013-July 2014).

Grant proposal funded a pilot study in cooperation with the Flint Hills Summer Fun Camp and USD 383, Northview Elementary School Learning Garden, Manhattan, Kansas.

Aistrup, S. (project director), S. Ward, K. Kingery-Page, L.D. Brokesh. **Sunflower Foundation Trails-for-Schools Grant Program** "USD 383 East Field/Northview Elementary," (January 2013-January 2014).

Grant benefits USD 383 to fund a new trail east of Northview Elementary school, linking school with community sidewalks and providing a healthy recreational resource.

L.D. Brokesh (project director), K. Kingery-Page, and M. Taussig. **Sunflower Foundation Trails Grant Program** "Marlatt Park Improvements," (October 2011-October 2012).

Grant proposal funded trail sign system at Marlatt Park, Manhattan, Kansas.

Kingery-Page, K. (project director), K. Lewis, and L. Clement. **Kansas State University Small Research Grant**, "Case Studies of Low-Energy Homes and Sites in Kansas and Missouri," (July 2011-July 2012).

Grant sponsored research trip including interdisciplinary team of 44 students.

Hunt, J.D. (project director) and K. Kingery-Page. **Kansas State University Division of Continuing Education**. "Program Development Grant for LAR 741: Portfolio Design," (July 2010-August 2011).

Grant funded development of a distance course in portfolio design.

Kingery-Page, K. (project director), H. Hahn, L. Skabelund, and W.P. Winslow. **190th Civil Engineering Squadron of the National Guard Air Refueling Wing/Forbes Field** "Green Infrastructure Demonstration Site" Sponsored Projects, (July 2009-August 2010). Contract sponsored three courses during fall 2009-spring 2010. Students developed design proposals for green infrastructure at the national guard base.

Kingery-Page, K. **Kansas State University Faculty Development Award**, (December 2009-June 2010).

Award funded travel to an international conference in the Netherlands.

Kingery-Page, K. **Kansas State University Faculty Development Award**, (August 2009-December 2009).

Award funded travel to an international conference in Brazil.

Kingery-Page, K. (project director) and K. Schlageck. **Kansas Arts Commission, Arts-in-Communities Mini-Grant**, (September 2009-June 2010).

Grant helped sponsor a two week artist-in-residency for Dan Snow, master dry-stone waller and environmental artist. The residency was a collaborative effort by the Department of Landscape Architecture/Regional & Community Planning, the Beach Museum of Art, The College of Architecture, Planning & Design, and the students enrolled in LAR 648: Specialization Studio. Working with Mr. Snow, students learned practical lessons about craft, materiality, observed artistic expertise, and gained experience in project management.

Kingery-Page, K. **Kansas State University Center for Engagement and Community Development**, (September 2009-November 2009).

Grant helped sponsor travel costs for Dan Snow during his two week artist-in-residency at Kansas State University.

Kingery-Page, K. (project director) and J.D. Hunt. **Kansas State University Center for Engagement and Community Development**, "The Northview Elementary School Learning Garden," (January 2009-January 2011).

Grant sponsored outreach and service to implement North view Elementary School's Learning Garden in Manhattan, Kansas. This grant employed a landscape architecture graduate student on an hourly basis spring and summer, 2009.

Sponsored Studios

Kingery-Page, K., and J. Burch. **Schowalter Villa 'My Garden' Studio Sponsorship** (December 2010-June 2010).

Grant sponsored a landscape architecture student's design development of a courtyard garden at Schowalter Villa Retirement Community. Graduate student Judy Burch was enrolled in LAR 741: Problems in Therapeutic and Edible Landscapes.

Bernard, E., L. Scheuneman and K. Kingery-Page. **Meadowlark Hills Retirement Community Interdisciplinary Studio Sponsorship** (December 2009-May 2009).

Grant sponsored a landscape architecture student's adaptation of a pattern language for outdoor spaces at Meadowlark Hills Retirement Community.

Kingery-Page, K. and J. Merrill. **Meadowlark Hills Retirement Community Interdisciplinary Studio Sponsorship** (December 2010-June 2010).

Grant sponsored a landscape architecture student's design development of a new community garden at Meadowlark Hills Retirement Community. Graduate student Jeremy Merrill enrolled in the *Problems in Therapeutic and Edible Landscapes* course.

Kingery-Page, K., L. Clement, T. Keane, and E. Bernard. **Meadowlark Hills Retirement Community Interdisciplinary Studio Sponsorship** (July 2008-January 2009).

Grant sponsored landscape architecture students' design development of outdoor spaces at Meadowlark Hills Retirement Community. Students enrolled in *Site Design Studio I* were guided by an interdisciplinary team of guest critics.

Awards and Honors

Finalist for New England Consortium of Higher Education, Ernest A. Lynton Award for the Scholarship of Engagement (2013).

Nominated by K-State's Center for Engagement and Community Development for this national faculty award; named as one of six finalists across the nation.

Mary K. Jarvis Emerging Faculty of Distinction in Landscape Architecture (2011-2012).

Awarded by the Department of Landscape Architecture/Regional & Community Planning. Award selection is competitively juried by a panel from across the nation.

LAR 741: Portfolio Design Nominated for University Professional & Continuing Education Association, Distance Learning Course Design Award (2012).

The course, which my colleague Jon Hunt and I co-created, was nominated by Kansas State University, Division of Continuing Education (DCE) for this national award. Assignment statements and student products from this course were also featured in DCE's *E-Learning Best Practices* online course, assessment and evaluation module.

Nominee for Council of Educators in Landscape Architecture, Excellence in Service-Learning Award (2010, 2012).

Nominated by my peers in the Department of Landscape Architecture/Regional & Community Planning for this national, early career educator award.

Grassroots Education Award (2010).

Honor awarded by the UFM Community Learning Center of Manhattan, Kansas.

McElwee Faculty Teaching Award (2009).

Nominated by peers in the College of Architecture, Planning & Design, Kansas State University; awarded by a university-wide jury.

Invited Juror, US Stone Competition (2008).

College of Architecture, Planning & Design and U.S. Stone Industries sponsored five scholarship awards juried from a pool of nearly eighty entries.

Governor's Award for Excellence, Kansas Mainstreet Program (2005).

Received with Bob Carlson (Marysville, Kansas) and Professor Chip Winslow in recognition of our collaboration on Marysville's downtown redevelopment.

Merit Scholarship, School of the Art Institute of Chicago (1997). Based upon portfolio review.

National Merit Scholar, Wichita State University (1992-1996). Full academic scholarship.

Presentations

(select list; all works listed under peer-reviewed publications also presented at associated conferences)

International

Kingery-Page, K. (October 2009). Presentation and panel discussion: **"Green Stormwater Management in a Suburban Landscape."** International Federation of Landscape Architects world congress held in Rio de Janeiro, Brazil.

Kingery-Page, K. and H. Hahn (September 2011). Presentation: **"Aesthetics of Landscape Representation: Simulation and Abstraction in Digital Landscape Representation."** Presented at "Ethics/Aesthetics" European Council of Landscape Architecture Schools (ECLAS) conference held at University of Sheffield, Sheffield, England.

National and State

Alexander, M., R. T. Gabbard, K. Kingery-Page, and B. Wrightsman. **"Intervention by Invitation."** Race, Ethnicity and Community Engagement in Higher Education Symposium, part of the Engagement Scholarship Consortium annual conference held October 2013, Lubbock, Texas.

Kingery-Page, K. (March 2011). Presentation: **"Return to the Self: the Nature of the Human Body in Landscape Architecture and Contemporary Art"** Council of Educators in Landscape Architecture conference held March, 2011, Los Angeles.

Kingery-Page, K. (March 2007). Poster presentation: **"Combining Integrated Stormwater Management and Human Comfort."** Water and the Future of Kansas conference held in Topeka, Kansas.

Skabelund, L. and K. Kingery-Page (April 2009). Invited presentation to homeowners: **"Raingardens of Native Plants for Stormwater Management."** At request of Natural Resource Conservation Service, held in Clay County, Kansas.

Local

Kingery-Page, K. (April 2012). Invited presentation and panel discussion: **"Landscapes of Learning: Design Action Research in Manhattan, Kansas."** Communities Engaging Landscape Symposium, highlighting work in Kansas and Missouri associated with K-State, held in Manhattan, Kansas.

Exhibits

(select list)

Exploratory Physiocartographies of Place and Time, group show Art Alliance Austin, Gallery West 2nd Street, Austin, Texas 2013

Multi-page sketchbook of walking/pausing in Austin

College of Architecture, Planning & Design Annual Faculty Show

2013 *Meadow Experiment* digital montage laser print, graphite and colored pencil on paper

2012 *of Smoke (Carnahan Creek)* pan pastel on paper, *Dusk Street* acrylic, graphite and pan pastel on paper

2011 *Leftovers* local cedar, leather, black blotter paper

2009 *Kearney Street Trees* acrylic and graphite on paper, *Swallows* and *Moths* both colored pencil and graphite on paper

2008 *for New Orleans* vintage fabric, glass beads, thread, and nylon screen

Rosemann Architects, Crossroads District Kansas City 2005

Show of LARCP student planting design models. Faculty: Winslow and Kingery-Page

Jump in the Fire, Invitational Show at City Arts, Wichita, KS 2003

Trousseau graphite and colored pencil on paper

Dark Winter Branches, Solo Show at Radina's Manhattan, KS 2002

Eight drawings, colored pencil and graphite on paper and museum board

The Usual Suspects, Sculpture Group Show at the Kemper Gallery, K-State Student Union 2001

Field of Teeth cast iron and limestone

Costume Design for *The Tempest*, First Born Productions, Chopin Theater, Chicago, IL 1997

Exhibits (continued)

***Nesting Instinct, Two-Person Show at Cottey College Nevada, MO* 1996**

Twelve selenium-toned photographs shown with an accompanying group of photos by Ellen Law Kendrick

***Milk, Honey? Group Painting and Sculpture Show at Sun Prairie Warehouse, Baltimore Street (Crossroads District) Kansas City* 1996**

Feather Bed crow feathers and steel

Fragile Linkages reclaimed mirror stand, electrical hardware, hair, cellophane, and photographs
Show included work by four students from Wichita State University and University of Kansas

***On the Animal, Group Show at Planet Hair Artspace, Wichita, KS* 1994**

Self-portrait in the Arkansas River cottonwood, pigment, hair, and earth

***Cabal Sculpture Guild, Group Show at Fischhaus Studios, Wichita, KS* 1993**

Moon carved pine and rosewood

Rattlesnakes ceramic and steel

Shirt ceramic, aluminum thread and cast aluminum

Curation

Guest co-curation of Post-minimalist Works from the Mrozek-Dorman Collection, Beach Museum of Art. Thomas Bell, co-curator; show scheduled for spring 2015.

Master's Report, Thesis, and Capstone Student Advisees (committee chair role)

Current

Emily Hoffmann (Swihart), thesis: **Development of a landscape architecture-based curriculum unit for fourth grade public school students**

Jeannette Cieszykowski, master's report

Elizabeth Decker, master's report

Leah Edwards, master's report

Lauren Garrott, master's report

Casey Gorrell, master's report

Caleb Melchior, master's report

Karissa Pankratz, master's report

2012

Kweku Addo-Atuah, master's report: **Northview Elementary School: an iterative participatory process in schoolyard planning & design**

Sukaina Fakhraldeen, master's report: **Redefining (interior)scapes: integrating the natural and built environment**

Shuang Hao, master's report: **Play and learn: Susan B. Anthony Middle School site as a neighborhood park design**

Chelsey King (Raymer), master's report: **Therapeutic schoolyard: design for children with autism**

Jonathan Knight, master's report: **The geography of nature access opportunities**

Rebecca Melvin, master's report: **Site as playground: expanding the experience of play**

Laura Weatherholt, master's report: **Floodplains on the prairie: an ecological schoolyard design**

**Master's Report,
Thesis, and Capstone
Student Advisees**
(committee chair role,
continued)

2011

Felipe Denarvaez, master's report: **Nelson's Ridge subdivision: conservation approach to rural subdivision development**

Allison Gerth, master's report: **Creative play: integrating art into playgrounds a typology**

Heather Grogan, master's report: **St. Louis MetroLink: reframing public transit space**

Emily King, thesis: **Conversations with landscape architects and artists: an exploration of the value of creative thinking in landscape architectural design process**

Krystal Schuette, master's report: **Endeppendence: renewable energy in a rural community**

Scot Talbert, master's report: **Exploring the schoolyard: potentials for creating a learning-rich environment at Bergman Elementary School**

Jaime Vickrey, master's report: **Hybrid learning landscape framework: holistic high performance schools for comprehensive learning and play**

Kyle Ward, master's report: **The Detroit East RiverWalk: extend-connect-provide**

2009

Robin Banks (Fordyce), master's report: **Native reverberation: artistic acoustics for the outdoor stage on the Castle Creek campus**

Jessica Blackwell, capstone project: **Mono Lake: An ecological approach to educational tourism**

Sarah Morrow, master's report: **Gibbon refuge at Sunset Zoo: a conservation based exhibit design for species preservation**

Cody Peratt, master's report: **Green ingrained: a sustainable approach to mountain resort development**

Julianne Rader, master's report: **Squares: a network of places**

Lindsey Richardson, master's report: **Rehabilitative landscape**

Geoffrey Van de Riet, capstone project: **Re-envisioned: north Saint Louis**

**Students' Awards and
Honors**
(select list)

2013 APDesign Research Symposium (Fall 2013): Leah Edwards (poster), Lauren Garrott (poster), Casey Gorrell (poster), Caleb Melchior (oral presentation), and Karissa Pankratz (poster). Students selected by a jury of university researchers to participate in the symposium.

Jonathan Knight, Kansas Planning Association (KS-APA) New Horizons Award (2012). This honor for new and innovative approaches to planning awarded to Knight for his master's report, *The Geography of Nature Access Opportunities*. Knight also presented his research at the 2013 national APA conference in Chicago.

Chelsey King Raymer, K-State Research Forum Poster Presentation (2012). As a result of Raymer's poster presentation on her master's project, *Therapeutic Schoolyard: design for children with autism*, K-State News Service issued a press release on her project. The story was featured on at least thirty on-line news outlets, including the Autism Speaks website and a sustainability blog: <http://variousmonks.com/blogs/innovative-schoolyard-design-offers-health-and-green-benefits>

Students' Awards and Honors
(continued)

Allison Gerth, Landscape Architecture Foundation Steven G. King Play Environments Scholarship (2011).

Awarded to Gerth for her master's project work, *Creative Play: Integrating Art into Playgrounds*.

Robin Banks Fordyce, Central States ASLA Merit Award (2010).

Awarded to Fordyce for her master's report, *Artistic Acoustics on the Outdoor Stage at the Castle Creek Campus*.

Heather Grogan, abstract accepted for presentation at International Making Cities Liveable Conference (2011).

Grogan submitted an abstract for her master's report, *St. Louis MetroLink: reframing public transit space*.

Sarah Morrow, abstract accepted for presentation at International Congress of Zookeepers Conference (2011).

Morrow submitted an abstract for her master's report, *Gibbon Refuge at Sunset Zoo: a conservation based exhibit design for species preservation*.

Service to Kansas State University

Faculty Senate representative for College of APDesign (2011-present).

Faculty Senate committee on Faculty Affairs (2012-present, 2013 secretary).

Faculty Senate representative to the Green Action Fund (2013-present).

Out-of-State Fee Appeals Committee (2010-2013).

Communities Engaging Landscape Symposium, Center for Engagement & Community Development (2012).

Represented my department in co-organizing a university-wide symposium on landscapes of learning, free and open to the public.

Service to College of Architecture, Planning & Design

Portfolio Review (2010-present).

Annual portfolio review events for students across the College of APDesign.

Division of Continuing Education Staff Hire (Program Coordinator for College of APDesign) Search Committee (2013).

College of APDesign Staff Hire (Events and Technology Specialist) Search Committee (2012).

Design Critic and Guest Lecturer (2007- present).

Invited critic and lecturer to numerous studios and seminars including upper level landscape architecture, interior architecture, and architecture courses.

Women in Design (2011-2012).

Served as informal advisor to the inaugural chapter of WiD at K-State.

Service to Department

Council of Educators in Landscape Architecture 2015 Conference Planning Committee (2013-present). National Conference will be hosted at K-State in 2015.

Student Affairs Committee (2011-present, secretary).

Lectures Committee (2010-present).

Technical Module Curriculum Working Group (summer 2012).

With faculty peers, drafted a proposal for significant changes to the department's technology curriculum.

Colloquium Working Group, Chair (2011).

Led the establishment of a departmental colloquium series (fourteen events since initiation in 2011). Currently co-chairing colloquium planning with colleague, Huston Gibson.

Value Documentation Working Group (2011).

Design Days Steering Committee (2009, 2011).

Design Days is an annual event lasting three days to a week in which all students in the department address a single, complex design dilemma.

Service to Department
(continued)

Strategic Planning Steering Group (summer 2010).

In preparation of fall departmental efforts, was part of a team providing input to the department head on the strategic planning process.

Roundtable of Women in Planning & Landscape Architecture (2008-2009).

Initiated and led a series of lunch-and-learn events for faculty and students. Invited women practitioners in both planning and landscape architecture shared their work and career experiences.

Service to Communities
(select list)

2012 **City of Wichita and Wichita Downtown Development Corporation**

A Vision for Bikeable, Walkable First & Second Streets

Directed service-learning project for K-State students: redesign of a one-way couplet of streets in accordance with the City's Bicycle Master Plan and Downtown Streetscape Plans, enhancing criteria for stormwater management and community identity.

2012 **Jane Jacobs Walk through Historic Manhattan Streets** Manhattan, Kansas

Led graduate students in planning and holding a Jane Jacobs Walk of historic residential and mixed-use streets in Manhattan, Kansas. The walk is named for urbanist and activist Jane Jacobs (1916-2006), author of *The Death and Life of Great American Cities*. Jane Jacobs Walks are casual walking tours intended to increase people's observation of the places they live, work, and play.

2009 **Beach Museum of Art** *Scholar's Rock* Installation

Organized two-week workshop for K-State students with master dry stone waller, Dan Snow, creating environmental art.

2009 **New Orleans Make It Right Foundation** Ninth Ward Resettlement Visioning

Directed service-learning project for K-State students: design of low cost landscape uses for vacant lots.

2009 **Manhattan, Kansas Northview Elementary School**

Design and construction of Learning Garden; project completed in partnership with UFM Community Learning Center, Caroline F. Peine Foundation, and Kansas State University's Center for Engagement and Community Development.

2008 **Chapman, Kansas United Methodist Church** Tornado Recovery Community Visioning

Assistant to Professor Stephanie Rolley, church reconstruction design charrette

2008 **Konza Prairie Long-Term Ecological Research Station**

Reconstruction of Historic Stone Walls at Hokansen Homestead; organized three day workshop led by master dry stone waller, Dan Snow.

2004 **Manhattan, Kansas Downtown** Downtown Redevelopment Charrette

Assistant to Professor Stephanie Rolley, downtown planning and design charrette.

2005 **Marysville, Kansas Mainstreet** Downtown Redevelopment Design

Co-directed service-learning project for K-State students: redevelopment design for downtown vacated rail lines.
