This year’s theme is ‘Building Our Future, Enhancing Our Legacy.’ Join us Friday, Nov. 4th on campus for an afternoon tour of the Seaton Hall construction site, portfolio reviews with students, and light refreshments. On Saturday, Nov. 5, join us in Aggieville for the Dean’s Advisory Council Tailgate at 1115 Moro. The event will begin two hours prior to kickoff and will include appetizers, drinks, and the opportunity to stay and cheer on the Wildcats as they take on Oklahoma State.

All proceeds from event sponsorship and ticket sales will go toward funding future SCASLA-sponsored events, and providing financial assistance for students traveling to the 2017 ASLA Annual Meeting. We appreciate your support and look forward to seeing everyone soon!
The Beaux Arts Ball is the annual formal dance hosted by AIAS for the College of APDesign for all disciplines. This year’s theme is Rue Du Rendez-vous, which is simply formal wear inspired by a masquerade ball. We will be having a mask contest so wear your best mask.

The dance is hosted at Tate's Bar in Aggieville. Doors will open at 9pm and close at 2am. Each ticket is $10 for non AIAS members, $5 for AIAS members. Proof of membership required. Professors gain admittance for free.

Find a representative to purchase your ticket.
3rd Years: Kathryn Zieno, Scott Pfeifer
4th Years: Taylor Hiltgen, Ashley Brunton, Alyce Torrez, Kaydee Seematter, Aaron Church, Morgan Brown
Representatives will be selling tickets from October 26 up until the dance on November 9th.

While AIAS does not actively promote the dance outside of APDesign, you are allowed and encouraged to bring your best friends or significant other, even if they aren’t in our college! We want you to have fun! Enjoy drinks, billiards and dancing!

Third Floor Tidbits
Weigel Library
Due to University flat budgets and financial callbacks, K-State Libraries’ and therefore Weigel’s collections have been affected. http://www.lib.k-state.edu/collections-budget

Periodicals
The shelving units in Weigel, once holding many current periodical issues inviting patrons to browse their contents, aren’t as full as in the past. A couple print periodicals have been canceled due to low usage; a couple more titles have changed from print to more economical online access and in some cases periodical titles have simply ceased publication.

Databases

Since spring 2016, K-State Libraries has no longer purchased additional modules or new content for the Archivision Database. [https://kansas.vrchost.com/](https://kansas.vrchost.com/), a decision made due to low usage of this resource. All previous modules will still be accessible through K-State Libraries.

The Library and Your Research: Graduate Workshop Series [http://www.lib.k-state.edu/events](http://www.lib.k-state.edu/events)

Managing Your Research and Publication Impact Monday, Oct 31 - 1:30 to 2:30 pm - 407 Hale Library

Don't get caught unprepared using others' works or in managing the copyright of your own research or publications. This workshop will briefly cover managing/registering the copyright of your ETDR, determining if something is in the public domain, making a fair use determination, permission requests, and searching for items with creative commons licenses.

Do you know this about Weigel Library?

- Napping in Weigel Library is allowed, and there's always a soft couch with your name on it!
- You may check out books on display in Weigel. That's why they are on display!
- If you checked out a Hale book, you can return it to Weigel and the staff will make sure it gets back to Hale.

Dean's Student Advisory Council

Applications are now available for students to apply to be a representative for their department for the Dean’s Student Advisory Council! The application is open to any student in the College of Architecture, Planning and Design, and applicants should be willing to be a voice for their specific department. The time commitment is a minimum, and it is a great way to become more involved in the college, while voicing your ideas to the entire college and administration. The link to the application can be found on the APDesign website at [http://apdesign.k-state.edu/current-students/student-orgs/dsac/](http://apdesign.k-state.edu/current-students/student-orgs/dsac/).
