It is time to get back to what we love. No not summer vacation, but learning to be architects or teaching others to be architects. For faculty this means we meet next week for our Fall retreat on Tuesday at 11.30 AM in the Flint Hills Room of the Manhattan Country Club. For students this means you need to sign up for studios and most importantly, show up on August 22nd. This is going to be a great year. All our faculty are back and I am excited to announce that Jay Siebenmorgen is now one of us and will be teaching fifth-year studio.

We are all sad that Kari decided to move back east to be near family in July. I am excited for her to pursue work in her field but we sure miss her. We are currently searching for a replacement.

I look forward to seeing everyone soon.

Represent your department and student body, let your voice be heard, and network and build your resume by serving on an APDesign College Committee. Each committee has at least one faculty and one student representative from each discipline within the college.

## Technology

## Weigel Library

## Design Expo/Mock Interview

## Open House

coordinates comprehensive Open House plan of activities across the disciplines for the college, meets twice in the spring semester

If you're interested in a committee or multiple committees, please email Megan LaBarge (meganlab@ksu.edu) with your name and year level. If you were a past rep and wish to continue to serve, please let Megan know.

# arch\_ambassadors

Are you interested in serving the College of Architecture, Planning & Design (APDesign) as an ambassador? Now is your chance to sign up. Please email me at myapd@ksu.edu. There is no selection process. If you sign-up, you are an APDesign Ambassador. (If you are already an ambassador there is no need to email me, you will remain an ambassador until you graduate or you tell me to take you off the list!)

As an APDesign Ambassador, you will receive emails from me asking for your help. I typically request tour guides or volunteers to help with recruitment or college events. Most tours require only a 30 minute commitment. Most events require an hour or two of your time. However, some events are half or full day events. You get to choose what you volunteer to participate in.

\*\*\*\*If you want to help with the ENVD Welcome for our new students this fall, you need to sign up to be an APDesign Ambassador. As an ambassador, you will have the opportunity to volunteer to help out the first year students! I will ask those volunteers in early August.\*\*\*\*

The only requirement of being an ambassador is that you attend the one and only ambassador meeting, August 21st. The meeting begins at 12:30pm in Seaton 63. You will learn more about giving building tours, etc. at this meeting.

Please consider becoming an APDesign Ambassador, again, please email me at myapd@k-state.edu if you would like to volunteer.

Sincerely,
