

# archinfo

This Friday is our annual Architecture Evening starting at 7PM at the Alumni Center. Dress up for a fun evening with students, faculty and friends. This is the perfect chance to chat with your professors about life and architecture. We will have some tasty treats by Della Voce and a cash bar. There will also be a free raffle for some nice APDesign swag. See you there.

I also want to introduce you to Traci Taylor. Traci joins our department as the new Project Coordinator. Please stop by the office and say hi when you get a chance.

Have a great week.

Professor and Head
