## arch\_weekly note

Thank you everyone for being part of the dedication on Friday. What a day! This place was vibrating with excitement. Now with most things operating, it should be nearly as exciting everyday as we speed towards the end of the semester.

Have a great week.

Matthew Knox AIA  
Professor and Department Head

## arch\_announcements

**Accreditation Visiting Team**  
Meeting with students 4:30 Monday, Oct. 30, Regnier Forum

**Open to all architecture students, all year levels**

As part of the accreditation visit this year, the NAAB team would like to meet with the students of the Master of Architecture program to gain insight into the program from your perspective. Please make a point of attending and giving feedback. Unless your studio is having a review that day, your professor should excuse you from studio to attend the short meeting.

Questions? Ask Todd Gabbard [rtodd@ksu.edu](mailto:rtodd@ksu.edu) 785-410-1791 or come by my office Seaton 2001.

**"Tools for Trade"** is an opportunity for upper-level APDesign students to sell their design tools and supplies to ENVD students. The Environmental Design Student Association event will take place one day only on Tuesday, October 24th from 11:30 a.m. to 1:30 p.m. outside of Regnier Forum (S1117). All transactions will occur in cash only and directly from buyer to seller. Please bring change.  
Weigel Library Updates

### **Weigel Library\_Updates**

Photo shoot volunteers needed!!

On Thursday morning, October 19, 8:30 am to 10:00 am, Hale has scheduled a photoshoot in Weigel for the K-State Libraries' magazine. A minimum of ten students are needed for this photoshoot. The best scenario would be to have students from all four College of APDesign disciplines represented.

The students participating "should wear what they would normally wear to class, but obviously they should look nice (i.e. no sweatpants). Solids are better than patterns and red is not a good choice. They should also bring their backpacks with school items like books, notepads, laptops, etc."

**If you want to represent APDesign and Weigel Library in the K-State Libraries' magazine, please contact Maxine (532-5978, [mlganske@ksu.edu](mailto:mlganske@ksu.edu), 0081 Regnier Hall) prior to 5 pm Tuesday, October 17.** Thanks for helping.
