## ATTENTION FACULTY & STAFF

Your APDesign representatives from the All-University Campaign - Michael Gibson, Sharon Hartwich, and Stephanie Rolley - are asking for your support again this year in boosting our participation in the campaign. And of course, your participation will directly benefit our college and our students.

***The goal of the campaign is to demonstrate participation - so every contribution, no matter how small - counts towards APDesign's 2015 participation when the campaign ends on November 13.***

As in the past years, the campaign is especially critical to shoring up our college's excellence funds that provide direct, supplemental, or stopgap support to a range of activities: student scholarships, service-learning projects, research, and special student activities (like NOMAS).

For individual giving, Dean de Noble is again supporting APDesign-branded gifts so you can show your college pride:

- For a minimum donation of \$10, receive a lanyard
- For a minimum donation of \$20, receive an 8GB flash drive
- For a minimum donation of \$50, receive a T-Shirt
- For a minimum donation of \$100, receive a Moleskin or Padfolio

To claim your gifts, see Thom Jackson.

As an incentive to raise our participation this year, everyone who participates in the campaign will have their name in a drawing whereby three \$50 Student Union Gift Card will be given away. These cards can be used at the Computer Store, the Follette union book store, or for food.

Secondly, Dean de Noble has pledged an outdoor ping pong table for the APDesign community (installed first at APDWest, then moved to our new facility) if we reach 90% participation (our record highest participation is 85%, in 2012). This will only take 73 of us to make this happen, and we are already at 52% participation (42 donors) as of 10/16/2015!

Just a reminder, here are the codes for our APDesign Funds:

- \* Dean's Excellence Fund E16600
- \* Architecture Department Excellence Fund E16900
- \* Interior Architecture and Product Design Excellence Fund E27353
- \* Landscape Architecture's Excellence Fund E30600
- \* Regional and Community Planning's Excellence Fund E36600

Other funds benefiting our college are available - contact Sharon (email) and she can look up the fund, give you more information, and provide you with the correct code.

How/when to give: You may give using the packet that you received by campus mail, or donate on the via our AUC link (click on our college name) on the K-State Foundation's website:

- Weigel Library has a Special Collections room, full of rare and unique books and documents dating back to 1581. Ask a staff member for assistance!
