THE COLLEGE of
ARCHITECTURE, PLANNING & DESIGN // K-STATE

FROM THE DEAN

Happy Holidays!

I feel sure that each of us is excited to take a break from the normal demands of the fall semester made all the more trying by the trials and tribulations of relocation during construction. All of us can all use the time among family and friends to recharge, recreate and relax in the spirit of togetherness that defines the Holiday Season. And in doing this, I hope all of us use the break to reflect, recharge, and rededicate ourselves to our commitment to design and planning in service to our society.

When we are all back together in January it is important that each and every one of us does our part to insure the continued quality of our programs through our investments of time, craft and intellect. Our expectation should always be to make sure to eclipse the accomplishments of those who came before us, regardless of the discomforts or limitations we may be experiencing in our temporary situation. If for some reason, such as the initial lack of connectivity, you did not set up in APDWest it is past time to return to the studio culture. We all know that the crucible of the design laboratory includes learning from your peers. And given the openness of APDWest this opportunity is greatly enhanced!

For those of you in your first year here, we hope you have discovered the joys and comradery of APDesign and our unique educational model. While you are undoubtedly headed home thirsting for a break, I am confident that by the end of your recess you will be hungering for the studio environment and for your next design or planning exercise!

Distinguished Lecture - Landscape Architecture 4:00PM K-State Union Forum Hall

At this time of year it is important that all students and faculty recognize the incredible quality of the members of the APDesign staff and their dedication to our tripartite mission of teaching, research and service. The staff members of our college and departments are selfless in their dedication to ensuring the highest quality experience for our students and faculty. Similarly, the custodial staff of our spaces work hard to maintain the safety and cleanliness of our spaces. I hope each of you will take time to express your appreciation for their efforts in some inventive and meaningful manner.

Most of all, be safe! We want you to come back whole, healthy and energized! Be sure and secure all you belongings! For those headed off on Internship, Study Abroad or KCDC make us proud!

We have much to look forward to in the spring, including the Spring itself!

Happy Holidays and New Year,

Tim

TAKE THE SURVEY

To all students in APDesign:

Now that our migration to the new facility is relatively complete, we need YOUR feedback (again)! This time, we want to better understand how you are managing the commute and to see how it might be improved. This project is part of a Jessica Weber's MRCP Report and continued research by faculty that will be summarized and presented to the Dean, University and Regional Transit Authority.

Go ahead and take the survey (chance to win \$10 Union Gift Card):

<http://bit.ly/APDTrans>

Note: This survey was created by Jessica Weber under the guidance of Dr. Chamberlain (LARCP), Dr. Newmark (LARCP), and Dr. Sanderson (Sociology), and has been approved by Kansas State University's Institutional Review Board. Survey questions are focused on your transportation and studio behaviors and are completely anonymous. We will be giving out \$10 gift certificates to 25 RANDOM students who take the survey.

Your participation will be helpful not only to the College and community, but will also support critical transportation research nationwide.
