### ANNOUNCEMENTS

**Spring 2017 Studio Layout:** As some of you prepare for the next semester, please follow these guidelines:

1. If you will be off campus next semester: you must remove all of your personal items from studio before December 18. Please remove the name tag supplied by our office from your desk now to indicate that it is available.
2. If you want to move to another desk: you may move your name tag to a desk that does not have a name tag on it. This should be done before December 18. We will map new locations before the end of the year.

In general, your name tag is key. It should be where you will be next semester--out of the building or on the desk you will occupy.
