OUR CONTRIBUTIONS AND ACCOMPLISHMENTS

Associate Professors Huston Gibson and La Barbara Wigfall co-taught the Planning in Pop Culture Winter Intersession class. Students explored the issues we face in our built environment through the cultural media of prose, poetry, song, and film. They were encouraged to think creatively about how our natural, social and built environment affects us as individuals and as a society. The class concluded with students creating and recording two radio shows that will broadcast on KSDB 91.9 on Sunday, January 22, at 5 pm.
