SECURITY & SAFETY

Final Checks for Spring Break 2015

As we leave for Spring Break 2015, it is important for each of us to remember that while we all share good will towards everyone in our APDesign Community we must remain vigilant about protecting ourselves, and each other against damage and theft.

Please remember that technology and restricted access alone are not enough to avoid all criminal activity. In this case please lock all doors, secure all equipment and belongings, remove doorstops, lock windows, **BACK UP YOUR DATA**, avoid working or walking alone and be sure to report any suspicious activity immediately. We all sincerely hope that you have a wonderful and restful spring break and come back better than ever!
