### DesignIntelligence Survey - EXTENDED until June 9

TAKE THE DESIGNINTELLIGENCE SURVEY TODAY!

For the past 17 years, DesignIntelligence has conducted their annual survey of America's Best Architecture & Design Schools. I write today to ask for your participation in the 2017-2018 survey. If you are a person in your firm who hires architects, interior designers, landscape architects or industrial designers, you are invited to share your experiences and perspectives. These annual rankings are today's leading resource to rank architecture and design programs on their ability to prepare graduates for professional practice.

The survey requires about 15-20 minutes of your time and can be completed in more than one sitting should you need to exit and return to complete it at a later time. The responding party must be in a leadership position qualified to hire employees. If you are not qualified to complete the survey on your firm's behalf, we ask that you forward it to the appropriate person in your firm. Individual responses will be kept confidential but a listing of all responding firms may be published.

Please use the following links to access the surveys. If you hire in more than one discipline we invite you to complete a survey for

Weigel in the summer

Summer hours for Weigel Library, unless otherwise posted, are Monday through Friday 8 am to 5 pm; closed weekends.

Library hours are displayed on the 1st and 3rd floor digital boards, on the library doors and also on Weigel's website - <http://www.lib.k-state.edu/architecture-library-hours>

Student assistant

Vatsal (Neal) Patel, 3rd year Architecture, is employed as the student library assistant for the summer. Our summer is a bit different this year, as is everyone else's, as we prepare to relocate Weigel Library to the new facility in Regnier Hall when the time comes. But Neal will be happy to assist you with technology, research and resource needs until then.

Hosting APDesign Orientation and Enrollment

During June Weigel Library will host Orientation and Enrollment for the College of APDesign. This is a great opportunity for our new

students and their parents to become acquainted with their library.  
Weigel is honored for the 3rd year to host this event and to welcome  
our new first year students.
