

HOEFER WELKER PARKING INSTRUCTIONS

Entering from 46 Penn Garage:

We recommend you park on levels **LL2, P1, P3, or P6** (as space allows) which have direct elevator access to Hoefel Welker's suite on the 14th floor. For all other parking levels, navigate to the main lobby and then you can directly access an elevator to the 14th floor.

Carts and wheeled carriers are not allowed in the lobby. Please consider parking on **P3 or P6** and using the elevators to access the 14th floor, avoiding the main lobby.

Entering from the Main Lobby:

Upon entering, proceed to the elevators on the left. Press the button for the 14th floor, and you'll reach your destination promptly. The image to the left shows the lobby entrance.

If you park in the 46 Penn Garage, daily parking is \$1.00 each 15 minutes. Daily max is \$20.00.
