

**APDESIGN Off-Campus Options (Subject to change)**

Our students’ design and planning studies are enriched by frequent interaction with the world outside Seaton/Regnier Hall. APDesign students take frequent field trips. Many study abroad or complete an internship. Several students choose to study urban issues at the Kansas City Design Center.

All College of Architecture, Planning and Design students planning to enter the fourth year (3<sup>rd</sup> year for RCP students) must complete an APDesign on-line application which includes one or more of the following:

- **Education Abroad,**
- **Internship,**
- **Kansas City Design Center (KCDC),**
- **Off-Campus Studio, and**
- **On Campus.**

Please refer to your curriculum guide as you consider your academic plans. Materials may be found on the APDesign Website, under “Current Students” “Off-Campus Activities”:
