

APDESIGN Off Campus Required Options (Subject to change)

Our students’ design and planning studies are enriched by frequent interaction with the world outside Seaton/Regnier Hall. Many participate in an education abroad experience or complete an internship. Other students choose to study urban issues at the Kansas City Design Center. All College of Architecture, Planning and Design students planning to enter the fourth year (3rd year for RCP students) must complete an APDesign online application which includes one or more of the following:

- **Education Abroad,**
- **Internship,**
- **Kansas City Design Center (KCDC),**
- **Off-Campus Studio, and**
- **On Campus.**

Please refer to your curriculum guide and academic advisor as you consider your future off campus academic plans and what is required by your particular discipline. Materials may be found on the APDesign Website, under “Current Students” “Off-Campus Activities”:
