*A minimum of 15 general elective credits must be taken. General electives may be taken in pursuit of a minor. They may be taken any time prior to or during the Interior Architecture & Product Design program and may include K-State-approved AP, IB, CLEP and transfer credit. Students may not count more than 3 total hours of recreation credits toward graduation.

**Focus Course includes IAPD 605, as well as other department head approved courses, including those associated with a minor program.

***Electives taken in the eighth semester should support student interest, including professional electives and study abroad courses. These may also be associated with a minor program.

The K-State 8 general education areas are covered by courses required in the Interior Architecture & Product Design curriculum. Information about K-State 8 is available on the web and in the university catalog.

Courses listed in **bold** type represent those hours required in the graduate program. Total credit hours required for Graduate School program of study is 31.
