*A minimum of 15 general elective credits must be taken. General electives may be taken in pursuit of a minor. They may be taken any time prior to or during the Interior Architecture and Product Design program and may include K-State-approved AP, IB, CLEP and transfer credit. Students may not count more than 3 total hours of recreation credits toward graduation.

**Focus Course includes IAPD 605, as well as other department head approved courses, including those associated with a minor program.

***Electives taken in the eighth semester should support student interest including professional electives and study abroad courses. These may also be associated with a minor program. The K-State 8 General Education areas are covered by courses required in the Interior Architecture and Product Design curriculum. Information about the K-State 8 is available on the web and in the university catalog.

Courses listed in bold type represent those hours required in the graduate program. Total credit hours required for Graduate School program of study is 31.
