\*A minimum of fourteen (14) general elective credits must be taken. General electives may be taken in pursuit of a minor. They may be taken any time prior to or during the Interior Architecture and Product Design program and may include K-State approved AP, IB, CLEP, K-State Core if selected, and transfer credit. Students may not count more than three (3) total hours of recreation credits toward graduation.

\*\*Focus Course includes INDD 605, as well as other department head approved courses, including those associated with a minor program. Petition process required.

\*\*\*Electives taken in the seventh semester should support student interest including professional electives and study abroad courses. These may also be associated with a minor program.

Courses listed in **bold** type represent those hours required in the graduate program.
