\* A minimum of 29 general studies elective credits must be in non-architectural studies courses. Courses that are part of the K-State 8 General Education program, in addition to any course in communications, history, humanities, social sciences, natural sciences, foreign languages or mathematics will fulfill this requirement. They may be taken in pursuit of a minor. They may be taken any time prior to or during the Architecture program and may include K-State approved AP, IB, CLEP and transfer credit. General studies electives may include K-State-approved extracurricular work as allowed by university regulations.

\*\* The M.Arch. degree requires 27 hours of professional support electives, 12 for undergraduate credit and 15 for graduate credit. Of the undergraduate credits, at least 3 hours must be planning elective credits; the other 9 are usually fulfilled in the eighth semester as part of the fourth-year study options. At least 6 hours of the graduate-level PSE must be architecture seminars. See the Master of Architecture Handbook for further details. Students may not count more than 3 total hours of department-approved extracurricular PSE credits, such as Oz, NOMAS, or Plot Club, toward graduation. PSE credits correspond to optional studies as listed in the 2014 NIAAB Conditions for Accreditation.

\*\*\* See pages 3 and 4 of curriculum form. Undergraduate elective courses must fulfill the Human Diversity in the United States and Global Issues & Perspectives areas of K-State 8 general education program. The other seven areas are fulfilled by required courses. Information about K-State 8 is available at [k-state.edu/kstate8/](http://k-state.edu/kstate8/) and in the university catalog. K-State 8 course lists are available at [courses.k-state.edu/fall2023/kstate8/](http://courses.k-state.edu/fall2023/kstate8/).

Courses listed in **bold** type represent those hours required within the graduate program. Total graduate credit hours is 31.
